UP-BM420K

UP-BM420K comes with housing, filter, wrench, bracket and screws

Features & Benefits

- **Clean and Fresh.** Enjoy clean, filtered water for washing, cleaning, bathing and laundry.
- **Cost effective.** Low cost sediment filter with high dirt holding capacity.
- **Environmentally friendly.** Operates without electricity. High filtration flow rate at minimal water pressure. No water wastage!
- **Quick monitoring of filter condition.** No need to open the housing. Clear transparent housing gives you an idea about your water quality simply by looking at the colour and speed of contaminant buildup on the filter cartridge.
- **Easy installation and maintenance.** Simply unscrew housing to replace filter. It's so convenient!
- **Big savings.** Reduces sediment build up inside water pipes. Protects your appliances like water heaters, washing machines and dish washers!
